PKF Littlejohn LLP is an independent firm of chartered accountants and business advisors based in Canary Wharf. With in-depth expertise in many fields of tax, accountancy and finance, we work for clients ranging from large, listed corporates and SMEs to individuals, their families and their businesses.

Our independent status means we offer clients a high level of partner involvement, together with the combined knowledge and experience of an established, close-knit team.

At PKF Littlejohn LLP, every individual matters. You're more visible, more accountable and more fundamental to our success. If you're successful you'll enjoy challenging work in an environment, which encourages personal success. We deliberately seek to recruit individuals who have combined academic excellence with direct experience in business life.

## Financial Services Division

PKF Littlejohn is ranked among the top 6 accountancy firm advisers to the UK insurance sector and the UK's top 15 auditors to the London Stock Exchange AIM market.

Led by eight partners, our Financial Services [FS] division is one of the largest teams outside the Big 4.

We are the sixth largest provider of external audit services to the UK Insurance industry. The division also provides internal audit services to a number of major insurance companies and brokers; and we are a leading firm in the Lloyd's of London insurance market.

We advise clients across the insurance industry, including insurance companies, syndicates and other Lloyd's entities, mutual insurers, brokers and agents.

We provide external audit services to asset managers, private equity funds, corporate finance firms, and other FCA authorised businesses. We also provide internal audit services to the asset management sector.

Your work could range from auditing a corporate capital vehicle for a Lloyd's Name, or a private equity fund, to helping with complex technical work involved in a firm's application for FCA authorisation.
