Overview of Firm

PKF Littlejohn LLP is an independent firm of chartered accountants and business advisors based in Canary Wharf. With in-depth expertise in many fields of tax, accountancy and finance, we work for clients ranging from large, listed corporates and SMEs to individuals, their families and their businesses.

Our independent status means we offer clients a high level of partner involvement, together with the combined knowledge and experience of an established, close-knit team.

At PKF Littlejohn LLP, every individual matters. You're more visible, more accountable and more fundamental to our success. If you're successful you'll enjoy challenging work in an environment, which encourages personal success. We deliberately seek to recruit individuals who have combined academic excellence with direct experience in business life.

Not for Profit Division

Our Not for Profit division [NFP] has extensive experience in providing audit and advisory services. We are committed to working with government, public sector and Not for Profit entities, both in the UK and overseas, and act for a wide range of clients including academies, charities, donor agencies, membership organisations and the public sector. You could also work on an assignment for the European Commission.

The division is led by partners who have extensive first-hand experience in the sector. This enables us to understand the challenging environment these organisations face, which is heightened by an increasing demand for services.
